

Session Q&A

TheCollinsGroup Virtual Retailer Symposium

Question	Answer(s)
How long does it take to dry?	Paper glaze dries pretty quickly in Louisiana. 20-30 minutes
Do you heat these to dry them? How do you clean up	Dries naturally. Remove most of the Paper Glaze, then
your stencils after?	when wash in sink with water
Was enhancer included in our kit	Yes. It was a smaller jar than sold to consumers
I am covered in sparkle. Soap and water clean up? (Or I will just be glittery all night!) :)	Yes. Soap and water
