Question	Answer(s)
was there a die in our kit?	No, the die was not included.
OK, thanks, can't wait to buy the die!	You will love it!
Is there an order form with the new items on it? The one I printed doesn't have them. Thanks!	The first page of the PDF has the new items!
what was the 2nd measurement? I was fixing the first & missed it	If you're asking about the scoring, it was at 3/4" and 5".
