

# **TheCollins Group Crafting Industry Education Event**

**Las Vegas Convention Center - July 26-27, 2019**

**In partnership with the ASD Show (July 28-31)**

All classes are specially planned for independent Crafting Retailers and your team--store managers, and in-house teachers. Events are planned so that you can return to your store with not only the best new products, but also with the latest paper crafting techniques to help GROW YOUR BUSINESS and SELL MORE PRODUCT. Our classes provide you with complete projects and instructions that you can take back to your store and teach to your customers - thus building enthusiasm and maximizing sales.

This package includes a Product Lightning Round to learn about new releases, 2 full days of craft classes (Nine 90-minute sessions), a Sample Making Frenzy and boxed lunches on Friday and Saturday.

*Product Lightning Round:* Start the show off with a fast-paced overview of the latest and greatest product offerings from our attending vendors! You will not want to miss this fun and informative event (especially with all the exciting surprise giveaways) where new product will be unveiled and reviewed.

*Nine 90-minute classes over Friday and Saturday:* These classes are specially designed and taught by leading craft industry vendors – so that you can take them back to your store and re-teach them several times. Note: In each of the nine sessions, there will be 2-3 classes to choose from. Each attendee will select one class from each session.

*Sample Making Frenzy:* This amazing night is not to be missed! Our vendors will have tables in the ballroom each teaching a 3-5 minute make-and-take. This is a great evening of sample-making, desserts, friends and fun!
